

Corpay + Karmak

Drive Efficiency with Smarter Payments

Paying vendors should be simple.

Corpay in Karmak makes payments effortless, automated, and rewarding.

- **Eliminate paper payments** with Corpay's ~4M vendor network¹
- **Save up to \$12 per check²** by cutting costly manual processes
- **Earn cash-back rebates** every month

"My favorite part about the solution is that I'm able to sign checks wherever I want. I can do it anywhere in the world — from my home, in another branch — and that's been amazing for me."
